Challenge #6: HTML Styles - CSS

- different html CSS implementation

```
<style>
    body {
        font-family: "Comic Sans MS", cursive, sans-serif;
        background-color: ■#f0f0f0;
        margin: 0;
        padding: 0;
        box-sizing: border-box;
    }

    header {
        background-color: □#333;
        color: ■white;
        padding: 1em;
        text-align: center;
    }
```
